- Additional and reduced payments under the Benefits Management Program;
 - Charges by Non-Preferred Providers in excess of covered amounts;
 - Charges in excess of specified benefit maximums;
 - Any optional Infertility Benefits.
- Note: Copayments and charges for Services not accruing to the maximum Calendar Year Copayment responsibility continue to be the Member's responsibility after the Calendar Year Copayment maximum is reached.
- ³ Copayments are calculated based on the Allowable Amount, unless otherwise specified.
- ⁴ "Other Providers" as defined in the Definitions section of this booklet, are not Participating or Preferred Providers. For Covered Services from Other Providers you are responsible for any Copayment and any charges above the Allowable Amount.
- ⁵ For Covered Services from Non-Preferred and Non-Participating Providers you are responsible for a Copayment and all charges above the Allowable Amount.
- ⁶ The Copayment will be calculated based upon the provider's billed charges or the amount the provider has otherwise agreed to accept as payment in full from the Plan, whichever is less.
- ⁷ If billed by your provider, you will also be responsible for an office visit Copayment.
- ⁸ The first 3 office visits are not applicable to the Medical Plan Deductible. The first 3 office visits include any combination of PCP, Postnatal, Urgent Care, Outpatient Mental and Substance Abuse Services.
- ⁹ If you receive emergency room Services that are determined to not be Emergency Services and which result in admission as an Inpatient to a Non-Preferred Hospital, you will be responsible for a Non-Preferred Hospital Inpatient Services Copayment.
- ¹⁰ Services from a Non-Participating Home Health Agency or Non-Participating Home Infusion Agency are not covered unless prior authorized by the Plan. When Services are authorized, your Copayment will be calculated at the Participating Provider level based upon the agreed upon rate between the Plan and the agency.
- ¹¹ Services from a Non-Participating Hospice Agency are not covered unless prior authorized by the Plan. When Services are authorized, your Copayment will be calculated at the Participating Provider level based upon the agreed upon rate between the Plan and the agency.
- ¹² No benefits are provided for Substance Abuse Conditions, unless substance abuse coverage is provided as an optional Benefit by your Employer. Inpatient Services to treat acute medical complications of detoxification are not considered the treatment of Substance Abuse Conditions and are covered.
- ¹³ Prior authorization is required for all non-Emergency or non-Urgent Services except that no prior authorization is required for Professional (Physical) Office Visit.
- ¹⁴ For Services by Non-Participating Providers you are responsible for a Copayment and all charges above the Allowable Amount.
- ¹⁵ For Emergency Services received from a Non-Participating Hospital, your Copayment will be the Participating Provider level, based on the Allowable Amount.
- ¹⁶ This Copayment includes both Outpatient facility and Professional (Physician) Services.
- ¹⁷ For Outpatient Partial Hospitalization Services, an episode of care is the date from which the patient is admitted to the Partial Hospitalization Program to the date the patient is discharged or leaves the Partial Hospitalization Program. Any Services received between these two dates would constitute the episode of care. If the patient needs to be readmitted at a later date, this would constitute another episode of care.
- ¹⁸ A Copayment will apply for each provider and date of service.

INTRODUCTION

If you have questions about your Benefits, contact the Claims Administrator before Hospital or medical Services are received.

This Plan is designed to reduce the cost of health care to you, the Participant. In order to reduce your costs, much greater responsibility is placed on you.

You should read your Benefit Booklet carefully. Your booklet tells you which services are covered by your health Plan and which are excluded. It also lists your Copayment and Deductible responsibilities.

When you need health care, present your Claims Administrator ID card to your Physician, Hospital, or other licensed healthcare provider. Your ID card has your Participant and group numbers on it. Be sure to include these numbers on all claims you submit to the Claims Administrator.

In order to receive the highest level of Benefits, you should assure that your provider is a Preferred Provider (see the "Preferred Providers" section).

You are responsible for following the provisions shown in the "Benefits Management Program" section of this booklet, including:

1. You or your Physician must obtain the Claims Administrator approval at least 5 working days before Hospital or Skilled Nursing Facility admissions for all non-Emergency Inpatient Hospital or Skilled Nursing Facility Services. (See the "Preferred Providers" section for information.)
2. You or your Physician must notify the Claims Administrator within 24 hours or by the end of the first business day following emergency admissions, or as soon as it is reasonably possible to do so.
3. You or your Physician must obtain prior authorization in order to determine if contemplated services are covered. See "Prior Authorization" in the "Benefits Management Program" section for a listing of Services requiring prior authorization.

Failure to meet these responsibilities may result in your incurring a substantial financial liability. Some Services may not be covered unless prior review and other requirements are met.

Note: The Claims Administrator will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Participant within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, the Claims Administrator will respond as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request.

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

PREFERRED PROVIDERS

The Claims Administrator Preferred Plan is specifically designed for you to use the Claims Administrator Preferred Providers. Preferred Providers include certain Physicians, Hospitals, Alternate Care Services Providers, and other Providers. Preferred Providers are listed in the Preferred Provider Directories. All Claims Administrator Physician Members are Preferred Providers. So are selected Hospitals in your community. Many other healthcare professionals, including dentists, podiatrists, optometrists, audiologists, licensed clinical psychologists and licensed marriage and family therapists are also Preferred Providers. They are all listed in your Preferred Provider Directories.

To determine whether a provider is a Preferred Provider, consult the Preferred Provider Directory. You may also verify this information by accessing the Claims Administrator's Internet site located at <http://www.blueshieldca.com>, or by calling Customer Service at the telephone number shown on the last page of this booklet. Note: A Preferred Provider's status may change. It is your obligation to verify whether the Physician, Hospital or Alternate Care Services provider you choose is a Preferred Provider, in case there have been any changes since your Preferred Provider Directory was published.

Note: In some instances services are covered only if rendered by a Preferred Provider. Using a Non-Preferred Provider could result in lower or no payment by the Claims Administrator for services.

Preferred Providers agree to accept the Claims Administrator's payment, plus your payment of any applicable Deductibles, Copayments, or amounts in excess of specified Benefit maximums, as payment in full for covered Services, except for the Deductibles, Copayments, and amounts in excess of specified Benefit maximums, or as provided under the Exception for Other Coverage provision and the Reductions section regarding Third Party Liability. This is not true of non-Preferred Providers.

You are not responsible to Participating and Preferred Providers for payment for covered Services, except for the Deductibles, Copayments, and amounts in excess of specified Benefit maximums, and except as provided under the Exception for Other Coverage provision.

The Claims Administrator contracts with Hospitals and Physicians to provide Services to Members for specified rates. This contractual arrangement may include incentives to manage all services provided to Members in an appropriate manner consistent with the contract. If you want to know more about this payment system, contact Customer Service at the number provided on the back page of this booklet.

If you go to a Non-Preferred Provider, the Claims Administrator's payment for a Service by that Non-Preferred Provider may be substantially less than the amount billed. You are responsible for the difference between the amount the Claims Administrator pays and the amount billed by Non-Preferred Providers. It is therefore to your advantage to obtain medical and Hospital Services from Preferred Providers.

Payment for Emergency Services rendered by a Physician or Hospital who is not a Preferred Provider will be based on the Allowable Amount but will be paid at the Preferred level of benefits. You are responsible for notifying the Claims Administrator within 24 hours, or by the end of the first business day following emergency admission at a Non-Preferred Hospital, or as soon as it is reasonably possible to do so.

Directories of Preferred Providers located in your area have been provided to you. Extra copies are available from the Claims Administrator. If you do not have the directories, please contact the Claims Administrator immediately and request them at the telephone number listed on the last page of this booklet.

CONTINUITY OF CARE BY A TERMINATED PROVIDER

Members who are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness; or who are children from birth to 36 months of age; or who have received authorization from a now-terminated provider for surgery or another procedure as part of a documented course of treatment can request completion of care in certain situations with a provider who is leaving the Claims Administrator provider network. Contact Customer Service to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated provider.

FINANCIAL RESPONSIBILITY FOR CONTINUITY OF CARE SERVICES

If a Member is entitled to receive Services from a terminated provider under the preceding Continuity of Care provision, the responsibility of the Member to that provider for Services rendered under the Continuity of Care provisions shall be no greater than for the same Services rendered by a Preferred Provider in the same geographic area.

SUBMITTING A CLAIM FORM

Preferred Providers submit claims for payment after their Services have been received. You or your Non-Preferred Providers also submit claims for payment after Services have been received.

You are paid directly by the Claims Administrator if Services are rendered by a Non-Preferred Provider. Payments to you for covered Services are in amounts identical to those made directly to providers. Requests for payment must be submitted to the Claims Administrator within 1 year after

the month Services were provided. Special claim forms are not necessary, but each claim submission must contain your name, home address, Plan number, Participant's number, a copy of the provider's billing showing the Services rendered, dates of treatment and the patient's name. The Claims Administrator will notify you of its determination within 30 days after receipt of the claim.

To submit a claim for payment, send a copy of your itemized bill, along with a completed Claims Administrator Participant's Statement of Claim form to the Claims Administrator service center listed on the last page of this booklet.

Claim forms are available on the Claims Administrator's Internet site located at <http://www.blueshieldca.com> or you may call Customer Service at the number listed on the last page of this booklet to ask for forms. If necessary, you may use a photocopy of the Claims Administrator claim form.

Be sure to send in a claim for all covered Services even if you have not yet met your Calendar Year Deductible. The Claims Administrator will keep track of the Deductible for you. The Claims Administrator uses an Explanation of Benefits to describe how your claim was processed and to inform you of your financial responsibility.

ELIGIBILITY

1. To enroll and continue enrollment, a Member must meet all of the eligibility requirements of the Plan.

If you are an Employee, you are eligible for coverage as a Participant the day following the date you complete the waiting period established by your Employer. Your spouse or Domestic Partner and all your Dependent children are eligible at the same time.

When you decline coverage for yourself or your Dependents during the initial enrollment period and later request enrollment, you and your Dependents will be considered to be Late Enrollees. When Late Enrollees decline enrollment during the initial enrollment period, they will be eligible the earlier of 12 months from the date of the request for enrollment or at the Employer's next Open Enrollment Period. The Claims Administrator will not consider applications for earlier effective dates.

You and your Dependents will not be considered to be Late Enrollees if either you or your Dependents lose coverage under a previous employer's health plan and you apply for coverage under this Plan within 31 days of the date of loss of coverage. You will be required to furnish the Claims Administrator written proof of the loss of coverage.

Newborn infants of the Participant, spouse, or his or her Domestic Partner will be eligible immediately after birth for the first 31 days. A child placed for adoption will be eligible immediately upon the date the Participant, spouse or Domestic Partner has the right to control the child's health care. Enrollment requests for children who have been placed for adoption must be accompanied by evidence of the Participant's, spouse's or Domestic Partner's right to control

the child's health care. Evidence of such control includes a health facility minor release report, a medical authorization form or a relinquishment form. In order to have coverage continue beyond the first 31 days without lapse, an application must be submitted to and received by the Claims Administrator within 60 days from the date of birth or placement for adoption of such Dependent.

A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship, if an application is submitted within 31 days of becoming eligible.

You may add newly acquired Dependents (other than newborns) and yourself to the Plan by submitting an application within 31 days from the date of acquisition of the Dependent:

- a. to continue coverage of a child placed for adoption;
- b. to add a spouse after marriage, or add a Domestic Partner after establishing a domestic partnership;
- c. to add yourself and spouse following the birth of a newborn or placement of a child for adoption;
- d. to add yourself and spouse after marriage;
- e. to add yourself and your child placed for adoption, following birth or placement for adoption.

A newborn may be added to the Plan by submitting an application within 60 days from the date of birth; the mother of the newborn may add herself within 31 days of the birth. The effective date or enrollment for both you and your newborn will be the date of birth.

A completed health statement may be required with the application. Coverage is never automatic; an application is always required.

If both partners in a marriage or domestic partnership are both eligible to be Participants, children may be eligible and may be enrolled as a Dependent of either parent, but not both.

Enrolled Dependent children who would normally lose their eligibility under this Plan solely because of age, but who are incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness, or condition, may have their eligibility extended under the following conditions: (1) the child must be chiefly dependent upon the Employee for support and maintenance, and (2) the Employee must submit a Physician's written certification of such disabling condition. The Claims Administrator or the Employer will notify you at least 90 days prior to the date the Dependent child would otherwise lose eligibility. You must submit the Physician's written certification within 60 days of the request for such information by the Employer or by the Plan. Proof of continuing disability and dependency must be submitted by the Employee as requested by the Claims Administrator but not more frequently than 2 years after the initial certification and then annually thereafter.

Subject to the requirements described under the Continuation of Group Coverage provision in this booklet, if appli-

cable, an Employee and his or her Dependents will be eligible to continue group coverage under this Plan when coverage would otherwise terminate.

2. If a Member commits any of the following acts, they will immediately lose eligibility to continue enrollment:
 - a. Abusive or disruptive behavior which:
 - (1) threatens the life or well-being of Plan personnel, or providers of services;
 - (2) substantially impairs the ability of the Claims Administrator to arrange for services to the Member; or
 - (3) substantially impairs the ability of providers of Services to furnish Services to the Member or to other patients.
 - b. Failure or refusal to provide the Claims Administrator access to documents and other information necessary to determine eligibility or to administer benefits under the Plan.
3. Employer eligibility – The Employer must meet specified Employer eligibility, participation and contribution requirements to be eligible for this group Plan. See your Employer for further information.

EFFECTIVE DATE OF COVERAGE

Coverage will become effective for Employees and Dependents who enroll during the initial enrollment period at 12:01 a.m. Pacific Time on the eligibility date established by your Employer.

If, during the initial enrollment period, you have included your eligible Dependents on your application to the Claims Administrator, their coverage will be effective on the same date as yours. If application is made for Dependent coverage (other than newborns) within 31 days after you become eligible, their effective date of coverage will be the same as yours. Newborns may be enrolled within 60 days of their birth; their effective date of coverage will be their date of birth.

If you or your Dependent is a Late Enrollee, your coverage will become effective at the next Open Enrollment Period. The Claims Administrator will not consider applications for earlier effective dates.

If you declined coverage for yourself and your Dependents during the initial enrollment period because you or your Dependents were covered under another employer health plan, and you or your Dependents subsequently lost coverage under that plan, you will not be considered a Late Enrollee. Coverage for you and your Dependents under this Plan will become effective on the date of loss of coverage, provided you enroll in this Plan within 31 days from the date of loss of coverage. You will be required to furnish the Claims Administrator written evidence of loss of coverage.

If you declined enrollment during the initial enrollment period and subsequently acquire Dependents (other than newborns) as a result of marriage, establishment of domestic partnership, or placement for adoption, you may request enrollment for yourself and your Dependents within 31 days. The effective date of enrollment for both you and your Dependents will depend on how you acquire your Dependent(s):

1. For marriage or domestic partnership, the effective date will be the first day of the first month following receipt of your request for enrollment;
2. For a child placed for adoption, the effective date will be the date the Participant, spouse, or Domestic Partner has the right to control the child's health care.

Once each Calendar Year, your plan has an annual Open Enrollment Period. Your employer has designated January 1st through January 30th as your open enrollment period, with changes being effective February 1st. During that time period, you and your Dependents may make enrollment changes. A completed enrollment form must be forwarded to the employer within the Open Enrollment Period. Enrollment becomes effective on the anniversary date of this Plan following the annual Open Enrollment Period.

Any individual (other than a newborn) who becomes eligible at a time other than during the annual Open Enrollment Period (e.g., child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly transferred Employees) must complete an enrollment form within 31 days of becoming eligible.

Any newborn who becomes eligible at a time other than during the annual Open Enrollment Period must have a completed enrollment form submitted within 60 days of birth.

Coverage for a newborn child will become effective on the date of birth. Coverage for a child placed for adoption will become effective on the date the Participant, spouse or Domestic Partner has the right to control the child's health care, following submission of evidence of such control (a health facility minor release report, a medical authorization form or a relinquishment form). In order to have coverage continue beyond the first 31 days (60 days for newborns) without lapse, a written application must be submitted to and received by the Claims Administrator within 31 days (within 60 days for newborns). An application may also be submitted electronically, if available. A Dependent spouse becomes eligible on the first of the month following or coinciding with the date of marriage. A Domestic Partner becomes eligible on the first of the month following or coinciding with the date a domestic partnership is established as set forth in the Definitions section of this booklet. A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship.

If a court has ordered that you provide coverage for your spouse, Domestic Partner or Dependent child under your health benefit Plan, their coverage will become effective

within 31 days of presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party, as described in Section 3751.5 of the Family Code. No coverage is provided for ex-spouses or domestic partners once they have severed their relationships.

If you or your Dependents voluntarily discontinued coverage under this Plan and later request reinstatement, you or your Dependents may, if eligible, be covered at the next Open Enrollment Period.

If this Plan provides Benefits within 60 days of the date of discontinuance of the previous group health plan that was in effect with your Employer;

1. you and all your Dependents who were validly covered under the previous group health plan on the date of discontinuance, will be eligible under this Plan except that,
2. if you or your Dependents were enrolled in the previous group health plan for less than 6 months and were Totally Disabled on the date of discontinuance of the previous group health plan and were entitled to an extension of benefits under Section 1399.62 of the California Health and Safety Code or Section 10128.2 of the California Insurance Code, you or your Dependents will not be entitled to any benefits under this Plan for services or expenses directly related to any condition which caused such Total Disability for a period not to exceed 6 months.

RENEWAL OF PLAN DOCUMENT

The Claims Administrator will offer to renew the Plan Document except in the following instances:

1. non-payment of fees (see "Termination of Benefits");
2. fraud, misrepresentations or omissions;
3. failure to comply with the Claims Administrator's applicable eligibility, participation or contribution rules;
4. termination of plan type by the Claims Administrator;
5. Employer relocates outside of California;
6. association membership ceases.

All groups will renew subject to the above.

SERVICES FOR EMERGENCY CARE

The Benefits of this Plan will be provided for covered Services received anywhere in the world for the emergency care of an illness or injury.

Members who reasonably believe that they have an emergency medical condition which requires an emergency response are encouraged to appropriately use the “911” emergency response system where available.

Note: For the lowest out-of-pocket expenses, covered non-Emergency Services or emergency room follow-up Services (e.g., suture removal, wound check, etc.) should be received in a Participating Physician’s office.

UTILIZATION REVIEW

State law requires that health plans disclose to Participants and health plan providers the process used to authorize or deny health care services under the Plan.

The Claims Administrator has completed documentation of this process (“Utilization Review”), as required under Section 1363.5 of the California Health and Safety Code.

To request a copy of the document describing this Utilization Review process, call the Customer Service Department at the number listed on the last page of this booklet.

SECOND MEDICAL OPINION POLICY

If you have a question about your diagnosis, or believe that additional information concerning your condition would be helpful in determining the most appropriate plan of treatment, you may make an appointment with another Physician for a second medical opinion. Your attending Physician may also offer to refer you to another Physician for a second opinion.

Remember that the second opinion visit is subject to all Plan Benefit limitations and exclusions.

HEALTH EDUCATION AND HEALTH PROMOTION SERVICES

Health education and health promotion Services provided by the Claims Administrator’s Center for Health and Wellness offer a variety of wellness resources including, but not limited to: a Participant newsletter and a prenatal health education program.

RETAIL-BASED HEALTH CLINICS

Retail-based health clinics are Outpatient facilities, usually attached or adjacent to retail stores, pharmacies, etc., which provide limited, basic medical treatment for minor health issues. They are staffed by nurse practitioners under the direction of a Physician and offer services on a walk-in basis. Covered Services received from retail-based health clinics will be paid on the same basis and at the same Benefit levels as other covered Services shown in the Summary of Benefits. Retail-based health clinics may be found in the Preferred Provider Directory or the Online Physician Directory located at <http://www.blueshieldca.com>. See the Preferred Providers section for information on the advantages of choosing a Preferred Provider.

THE CLAIMS ADMINISTRATOR ONLINE

The Claims Administrator’s Internet site is located at <http://www.blueshieldca.com>. Members with Internet access and a Web browser may view and download healthcare information.

BENEFITS MANAGEMENT PROGRAM

The Claims Administrator has established the Benefits Management Program to assist you, your Dependents, or provider in identifying the most appropriate and cost-effective course of treatment for which certain Benefits will be provided under this health Plan and for determining whether the services are Medically Necessary. However, you, your Dependents and provider make the final decision concerning treatment. The Benefits Management Program includes: prior authorization review for certain services; emergency admission notification; Hospital Inpatient review, discharge planning, and case management if determined to be applicable and appropriate by the Claims Administrator.

Certain portions of the Benefits Management Program also contain Additional and Reduced Payment requirements for

either not contacting the Claims Administrator or not following the Claims Administrator's recommendations. Failure to contact the Plan for authorization of services listed in the sections below or failure to follow the Plan's recommendations may result in reduced payment or non-payment if the Claims Administrator determines the service was not a covered Service. Please read the following sections thoroughly so you understand your responsibilities in reference to the Benefits Management Program. Remember that all provisions of the Benefits Management Program also apply to your Dependents.

The Claims Administrator requires prior authorization for selected Inpatient and Outpatient services, supplies and Durable Medical Equipment and admission into an approved Hospice Program. Preadmission review is required for all Inpatient Hospital and Skilled Nursing Facility services (except for Emergency Services*).

*See the paragraph entitled Emergency Admission Notification later in this section for notification requirements.

By obtaining prior authorization for certain services prior to receiving services, you and your provider can verify: (1) If the Claims Administrator considers the proposed treatment Medically Necessary, (2) if Plan Benefits will be provided for the proposed treatment, and (3) if the proposed setting is the most appropriate as determined by the Claims Administrator. You and your provider may be informed about Services that could be performed on an Outpatient basis in a Hospital or Outpatient Facility.

PRIOR AUTHORIZATION

For services and supplies listed in the section below, you or your provider can determine before the service is provided whether a procedure or treatment program is a Covered Service and may also receive a recommendation for an alternative Service. Failure to contact the Claims Administrator as described below or failure to follow the recommendations of the Claims Administrator for Covered Services will result in a reduced payment per procedure as described in the section entitled Additional and Reduced Payments for Failure to Use the Benefits Management Program.

For Services other than those listed in the sections below, you, your Dependents or provider should consult the Principal Benefits and Coverages (Covered Services) section of this booklet to determine whether a service is covered.

You or your Physician must call the Customer Service telephone number indicated on the back of the Member's identification card for prior authorization for the services listed in this section.

The Claims Administrator requires prior authorization for the following services:

1. Admission into an approved Hospice Program as specified under Hospice Program Benefits in the Covered Services section.
2. Clinical Trial for Cancer Benefits.

Members who have been accepted into an approved clinical trial for cancer as defined under the Covered Services section must obtain prior authorization from the Claims Administrator in order for the routine patient care delivered in a clinical trial to be covered.

Failure to obtain prior authorization or to follow the recommendations of the Claims Administrator for Hospice Program Benefits and Clinical Trial for Cancer Benefits above will result in non-payment of services by the Claims Administrator.

3. Select injectable drugs, except injectable contraceptives (prior authorization not required) administered in the Physician office setting.*

*Prior authorization is based on Medical Necessity, appropriateness of therapy, or when effective alternatives are available.

Note: Your Preferred or Non-Preferred Physician must obtain prior authorization for select injectable drugs administered in the Physician's office. Failure to obtain prior authorization or to follow the recommendations of the Claims Administrator for select injectable drugs may result in non-payment by the Claims Administrator if the service is determined not to be a covered Service; in that event you may be financially responsible for services rendered by a Non-Preferred Physician.

4. Home Health Care Benefits from Non-Preferred Providers.
5. Home Infusion/Home Injectable Therapy Benefits from Non-Preferred Providers.
6. Durable Medical Equipment Benefits, including but not limited to motorized wheelchairs, insulin infusion pumps, and Continuous Glucose Monitoring Systems (CGMS), except breast pumps (prior authorization not required).
7. Reconstructive Surgery.
8. Arthroscopic surgery of the temporomandibular joint (TMJ) Services.
9. Hemophilia home infusion products and Services.

Failure to obtain prior authorization or to follow the recommendations of the Claims Administrator for:

injectable drugs administered in the Physician office setting,

Home Health Care Benefits from Non-Preferred Providers,

Home Infusion/Home Injectable Therapy Benefits from Non-Preferred Providers,

Durable Medical Equipment Benefits,

Reconstructive Surgery,

arthroscopic surgery of the TMJ services,

and

hemophilia home infusion products and supplies

as described above may result in non-payment of services by the Claims Administrator.

10. Special Transplant Benefits as specified under Transplant Benefits - Special in the Covered Services section.
11. All bariatric surgery.
12. Hospital and Skilled Nursing Facility admissions (see the subsequent Hospital and Skilled Nursing Facility Admissions section for more information).
13. Medically Necessary dental and orthodontic Services that are an integral part of Reconstructive Surgery for cleft palate procedures.

Failure to obtain prior authorization or to follow the recommendations of the Claims Administrator for:

Special Transplant Benefits,

all bariatric surgery,

Hospital and Skilled Nursing Facility admissions, and Dental and orthodontic Services that are an integral part of Reconstructive Surgery for cleft palate procedures.

as described above will result in a reduced payment as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in non-payment if the Claims Administrator determines that the service is not a covered Service.

Other specific services and procedures may require prior authorization as determined by the Claims Administrator. A list of services and procedures requiring prior authorization can be obtained by your provider by going to <http://www.blueshieldca.com> or by calling the Customer Service telephone number indicated on the back of the Member's identification card.

HOSPITAL AND SKILLED NURSING FACILITY ADMISSIONS

Prior authorization must be obtained from the Claims Administrator for all Hospital and Skilled Nursing Facility admissions (except for admissions required for Emergency Services). Included are hospitalizations for continuing Inpatient Rehabilitation and skilled nursing care, transplants, bariatric surgery, and Inpatient Mental Health Services if this health plan provides these benefits.

Prior Authorization for Other than Mental Health Admissions

Whenever a Hospital or Skilled Nursing Facility admission is recommended by your Physician, you or your Physician must contact the Claims Administrator at the Customer Service telephone number indicated on the back of the Member's identification card at least 5 business days prior to the admission. However, in case of an admission for Emergency Services, the Claims Administrator should receive emer-

gency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so. The Claims Administrator will discuss the Benefits available, review the medical information provided and may recommend that to obtain the full Benefits of this health Plan that the Services be performed on an Outpatient basis.

Examples of procedures that may be recommended to be performed on an Outpatient basis if medical conditions do not indicate Inpatient care include:

1. Biopsy of lymph node, deep axillary;
2. Hernia repair, inguinal;
3. Esophagogastroduodenoscopy with biopsy;
4. Excision of ganglion;
5. Repair of tendon;
6. Heart catheterization;
7. Diagnostic bronchoscopy;
8. Creation of arterial venous shunts (for hemodialysis).

Failure to contact the Claims Administrator as described or failure to follow the recommendations of the Claims Administrator will result in an additional payment per admission as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by the Claims Administrator if it is determined that the admission is not a covered Service.*

*Note: For admissions for special transplant Benefits, failure to receive prior authorization in writing and/or failure to have the procedure performed at the Claims Administrator designated facility will result in non-payment of services by the Claims Administrator. See Transplant Benefits under the Covered Services section for details.

Prior Authorization for Inpatient Mental Health Services

All Inpatient Mental Health Services except for Emergency Services, must be prior authorized by the Claims Administrator.

For an admission for Emergency Mental Health Services, the Claims Administrator should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or the Participant may be responsible for the additional payment as described below.

For prior authorization of Inpatient Mental Health Service call the Customer Service telephone number indicated on the back of the Member's identification card.

Failure to contact the Claims Administrator as described above or failure to follow the recommendations of the Claims Administrator will result in an additional payment per admission as described in the Additional and Reduced

Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by the Claims Administrator if it is determined that the admission is not a covered Service.

Note: The Claims Administrator will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Participant within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of a Member or when the Member is experiencing severe pain, the Claims Administrator will respond as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request.

EMERGENCY ADMISSION NOTIFICATION

If you are admitted for Emergency Services, the Claims Administrator should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or you may be responsible for the additional payment as described under the Additional and Reduced Payments for Failure to Use the Benefits Management Program section.

HOSPITAL INPATIENT REVIEW

The Claims Administrator monitors Inpatient stays. The stay may be extended or reduced as warranted by your condition, except in situations of maternity admissions for which the length of stay is 48 hours or less for a normal, vaginal delivery or 96 hours or less for a Cesarean section unless the attending Physician, in consultation with the mother, determines a shorter Hospital length of stay is adequate. Also, for mastectomies or mastectomies with lymph node dissections, the length of Hospital stays will be determined solely by your Physician in consultation with you. When a determination is made that the Member no longer requires the level of care available only in an Acute Care Hospital, written notification is given to you and your Doctor of Medicine. You will be responsible for any Hospital charges Incurred beyond 24 hours of receipt of notification.

DISCHARGE PLANNING

If further care at home or in another facility is appropriate following discharge from the Hospital, the Claims Administrator may work with you, your Physician and the Hospital discharge planners to determine whether benefits are available under this Plan to cover such care.

CASE MANAGEMENT

The Benefits Management Program may also include case management, which provides assistance in making the most efficient use of Plan Benefits. Individual case management may also arrange for alternative care benefits in place of prolonged or repeated hospitalizations, when it is deter-

mined to be appropriate through the Claims Administrator review. Such alternative care benefits will be available only by mutual consent of all parties and, if approved, will not exceed the Benefit to which you would otherwise have been entitled under this Plan. The Claims Administrator is not obligated to provide the same or similar alternative care benefits to any other person in any other instance. The approval of alternative benefits will be for a specific period of time and will not be construed as a waiver of the Claims Administrator's right to thereafter administer this health Plan in strict accordance with its express terms.

ADDITIONAL AND REDUCED PAYMENTS FOR FAILURE TO USE THE BENEFITS MANAGEMENT PROGRAM

For non-Emergency Services, additional payments may be required, or payments may be reduced, as described below, when a Participant or Dependent fails to follow the procedures described under the Prior Authorization and Skilled Nursing Facility Admissions sections of the Benefits Management Program. These additional payments will be required in addition to any applicable Calendar Year Deductible, Copayment and amounts in excess of Benefit dollar maximums specified and will not be included in the calculation of the Participant's maximum Calendar Year Copayment responsibility.

1. Failure to contact the Claims Administrator as described under the Prior Authorization of the Benefits Management Program or failure to follow the recommendations of the Claims Administrator will result in an additional payment per Hospital or Skilled Nursing Facility admission as described below or may result in reduction or non-payment by the Claims Administrator if it is determined that the admission is not a covered Service.
 - *\$250 per Hospital or Skilled Nursing Facility admission.
 - *\$250 per Hospital admission for the diagnosis or treatment of Substance Abuse Conditions if substance abuse coverage is selected as an optional Benefit by your Employer. Note: Inpatient Services which are Medically Necessary to treat the acute medical complications of detoxification are covered as part of the medical Benefits and are not considered to be treatment of the Substance Abuse Condition itself.

Only one \$250 additional payment will apply to each Hospital admission for failure to follow the Benefits Management Program notification requirements or recommendations.

2. Failure to obtain prior authorization or to follow the recommendations of the Claims Administrator will result in non-payment for procedures which are determined not to be covered Services.

DEDUCTIBLE

CALENDAR YEAR DEDUCTIBLE (MEDICAL PLAN DEDUCTIBLE)

The Calendar Year per Member and per Family Deductible amounts are shown on the Summary of Benefits. After the Calendar Year Deductible is satisfied for those Services to which it applies, Benefits will be provided for covered Services. This Deductible must be made up of charges covered by the Plan. Charges in excess of the Allowable Amount do not apply toward the Deductible. The Deductible must be satisfied once during each Calendar Year by or on behalf of each Member separately, except that the Deductible shall be deemed satisfied with respect to the Participant and all of his covered Dependents collectively after the Family Deductible amount has been satisfied. Note: The Deductible also applies to a newborn child or a child placed for adoption, who is covered for the first 31 days even if application is not made to add the child as a Dependent on the Plan.

SERVICES NOT SUBJECT TO THE DEDUCTIBLE

The Calendar Year Deductible applies to all covered Services Incurred during a Calendar Year except for certain Services as listed in the Summary of Benefits.

PRIOR CARRIER DEDUCTIBLE CREDIT

If you satisfied all or part of a medical Deductible under a health plan sponsored by your Employer or under an Individual and Family Health Plan (IFP) issued by the Claims Administrator during the same Calendar Year this Plan becomes effective, that amount will be applied to the medical Deductible required under this Plan.

Note: This Prior Carrier Deductible Credit provision applies only to new Employees who are enrolling on the original effective date of this Plan, if this health Plan allows credit of the medical Deductible from the Employer's previous health plan.

LAST QUARTER CARRY OVER

If charges for covered Services received during the last 3 months of the Calendar Year are applied to the Deductible, the Deductible for the next Calendar Year will be reduced by that amount.

NO MEMBER MAXIMUM LIFETIME BENEFITS

There is no maximum limit on the aggregate payments by the Plan for covered Services provided under the Plan.

NO ANNUAL DOLLAR LIMIT ON ESSENTIAL BENEFITS

This Plan contains no annual dollar limits on essential benefits as defined by federal law.

PAYMENT

The Participant Copayment amounts, applicable Deductibles, and Copayment maximum amounts for covered Services are shown in the Summary of Benefits. The Summary of Benefits also contains information on Benefit and Copayment maximums and restrictions.

Complete benefit descriptions may be found in the Principal Benefits and Coverages (Covered Services) section. Plan exclusions and limitations may be found in the Principal Limitations, Exceptions, Exclusions and Reductions section.

Out-of-Area Programs

Benefits will be provided for Covered Services received outside of California within the United States, Puerto Rico, and U.S. Virgin Islands. The Claims Administrator calculates the Participant's Copayment either as a percentage of the Allowable Amount or a dollar Copayment, as defined in this booklet. When Covered Services are received in another state, the Participant's Copayment will be based on the local Blue Cross and/or Blue Shield plan's arrangement with its providers. See the BlueCard Program section in this booklet.

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees") referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services outside of California, the claims for these services may be processed through one of these Inter-Plan Programs, which includes the BlueCard Program.

When you access Covered Services outside of California you may obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Plan"). In some instances, you may obtain care from non-participating healthcare providers. The Claims Administrator's payment practices in both instances are described in this booklet.

If you do not see a Participating Provider through the BlueCard Program, you will have to pay for the entire bill for your medical care and submit a claim form to the local Blue Cross and/or Blue Shield plan or to the Claims Administrator for payment. The Claims Administrator will notify you of its determination within 30 days after receipt of the claim. The Claims Administrator will pay you at the Non-Preferred Provider Benefit level. Remember, your Copayment is higher when you see a Non-Preferred Provider. You will be responsible for paying the entire difference between the amount paid by the Claims Administrator and the amount billed.

Charges for Services which are not covered, and charges by Non-Preferred Providers in excess of the amount covered by the Plan, are the Participant's responsibility and are not included in Copayment calculations.

To receive the maximum Benefits of your Plan, please follow the procedure below.

When you require Covered Services while traveling outside of California:

1. call *BlueCard Access*[®] at 1-800-810-BLUE (2583) to locate Physicians and Hospitals that participate with the local Blue Cross and/or Blue Shield plan, or go on-line at <http://www.bcbs.com> and select the “Find a Doctor or Hospital” tab; and,
2. visit the Participating Physician or Hospital and present your membership card.

The Participating Physician or Hospital will verify your eligibility and coverage information by calling *BlueCard Eligibility* at 1-800-676-BLUE. Once verified and after Services are provided, a claim is submitted electronically and the Participating Physician or Hospital is paid directly. You may be asked to pay for your applicable Copayment and Plan Deductible at the time you receive the service.

You will receive an Explanation of Benefits which will show your payment responsibility. You are responsible for the Copayment and Plan Deductible amounts shown in the Explanation of Benefits.

Prior authorization is required for all Inpatient Hospital Services and notification is required for Inpatient Emergency Services. Prior authorization is required for selected Inpatient and Outpatient Services, supplies and Durable Medical Equipment. To receive prior authorization from the Claims Administrator, the out-of-area provider should call the customer service number noted on the back of your identification card.

If you need Emergency Services, you should seek immediate care from the nearest medical facility. The Benefits of this Plan will be provided for Covered Services received anywhere in the world for emergency care of an illness or injury.

Care for Covered Urgent Care and Emergency Services Outside the United States

Benefits will also be provided for covered urgent and emergency services received outside of the United States, Puerto Rico, and U.S. Virgin Islands. If you need urgent care while out of the country, call the BlueCard Worldwide Service Center either at the toll-free BlueCard Access number (1-800-810-2583) or collect (1-804-673-1177), 24 hours a day, 7 days a week. In an emergency, go directly to the nearest Hospital. If your coverage requires precertification or prior authorization, you should also call the Claims Administrator at the customer service number noted on the back of your identification card. For Inpatient Hospital care, contact the BlueCard Worldwide Service Center to arrange cashless access. If cashless access is arranged, you are responsible for the usual out-of-pocket expenses (non-covered charges, Deductibles, and Copayments). If cashless access is not arranged, you will have to pay the entire bill for your medical care and submit a claim to the BlueCard Worldwide Service Center.

When you receive services from a Physician, you will have to pay the doctor and then submit a claim.

Before traveling abroad, call your local Customer Service office for the most current listing of providers world-wide or you can go on-line at <http://www.bcbs.com> and select “Find a Doctor or Hospital” and “BlueCard Worldwide.”

BlueCard Program

Under the BlueCard[®] Program, when you obtain Covered Services within the geographic area served by a Host Plan, the Plan will remain responsible for any payment due, excluding the Participant’s liability (e.g., Copayment and Plan Deductible amounts shown in this booklet). However the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables you to obtain Covered Services outside of California, as defined, from a healthcare provider participating with a Host Plan, where available. The participating healthcare provider will automatically file a claim for the Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the member Copayment and Deductible amounts, if any, as stated in this booklet.

Whenever you access Covered Services outside of California and the claim is processed through the BlueCard Program, the amount you pay for Covered Services, if not a flat dollar copayment, is calculated based on the lower of:

1. The billed covered charges for your Covered Services; or
2. The negotiated price that the Host Plan makes available to the Claims Administrator.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Plan pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or under-estimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price the Claims Administrator uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any Covered Services according to applicable law.

Claims for Covered Services are paid based on the Allowable Amount as defined in this booklet.

PARTICIPANT'S MAXIMUM CALENDAR YEAR COPAYMENT RESPONSIBILITY

1. The per Member and per Family maximum Copayment responsibility each Calendar Year for covered Services rendered by Preferred Providers and Other Providers is shown on the Summary of Benefits.
2. The per Member and per Family maximum Copayment responsibility each Calendar Year for covered Services rendered by any combination of Preferred Providers, Non-Preferred Providers and Other Providers is shown on the Summary of Benefits.

Once a Member's maximum responsibility has been met*, the Plan will pay 100% of the Allowable Amount for that Member's covered Services for the remainder of that Calendar Year, except as described below. Once the Family maximum responsibility has been met*, the Plan will pay 100% of the Allowable Amount for the Participant's and all covered Dependents' covered Services for the remainder of that Calendar Year, except as described below.

Charges for Services which are not covered, charges above the Allowable Amount, charges in excess of the amount covered by the Plan, and reduced payments Incurred under the Benefits Management Program are the Participant's responsibility and are not included in the maximum Calendar Year Copayment responsibility.

*Note: Certain Services and amounts are not included in the calculation of the maximum Calendar Year Copayment. These items are shown on the Summary of Benefits.

Charges for these items may cause a Participant's payment responsibility to exceed the maximums.

Copayments and charges for Services not accruing to the Participant's maximum Calendar Year Copayment responsibility continue to be the Participant's responsibility after the Calendar Year Copayment maximum is reached.

MEDICAL NECESSITY EXCLUSION

The Benefits of this Plan are intended only for Services that are Medically Necessary. Because a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it medically necessary even though it is not specifically listed as an exclusion

or limitation. The Claims Administrator reserves the right to review all claims to determine if a service or supply is medically necessary. The Claims Administrator may use the services of Doctor of Medicine consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims. The Claims Administrator may limit or exclude benefits for services which are not necessary.

LIMITATIONS FOR DUPLICATE COVERAGE

When you are eligible for Medicare

1. Your Claims Administrator group plan will provide benefits before Medicare in the following situations:
 - a. When you are eligible for Medicare due to age, if the Participant is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
 - b. When you are eligible for Medicare due to disability, if the Participant is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
 - c. When you are eligible for Medicare solely due to end-stage renal disease during the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
2. Your Claims Administrator group plan will provide benefits after Medicare in the following situations:
 - a. When you are eligible for Medicare due to age, if the Participant is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
 - b. When you are eligible for Medicare due to disability, if the Participant is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).
 - c. When you are eligible for Medicare solely due to end-stage renal disease after the

first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.

- d. When you are retired and age 65 years or older.

When your Claims Administrator group plan provides benefits after Medicare, the combined benefits from Medicare and your Claims Administrator group plan may be lower but will not exceed the Medicare allowed amount.

When you are eligible for Medi-Cal

Medi-Cal always provides benefits last.

When you are a qualified veteran

If you are a qualified veteran your Claims Administrator group plan will pay the reasonable value or the Claims Administrator's Allowable Amount for covered Services provided to you at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, your Claims Administrator group plan will pay the reasonable value or the Claims Administrator's Allowable Amount for covered Services provided to you at a Department of Defense facility, even if provided for conditions related to military service.

When you are covered by another government agency

If you are also entitled to benefits under any other federal or state governmental agency, or by any municipality, county or other political subdivision, the combined benefits from that coverage and your Claims Administrator group plan will equal, but not exceed, what the Claims Administrator would have paid if you were not eligible to receive benefits under that coverage (based on the reasonable value or the Claims Administrator's Allowable Amount).

Contact the Customer Service department at the telephone number shown at the end of this document if you have any questions about how the Claims Administrator coordinates your group plan benefits in the above situations.

EXCEPTION FOR OTHER COVERAGE

Participating Providers and Preferred Providers may seek reimbursement from other third party payers for the balance of their reasonable charges for Services rendered under this Plan.

CLAIMS REVIEW

The Claims Administrator reserves the right to review all claims to determine if any exclusions or other limitations apply. The Claims Administrator may use the services of Physician consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims.

REDUCTIONS – THIRD PARTY LIABILITY

If a Member's injury or illness was, in any way, caused by a third party who may be legally liable or responsible for the injury or illness, no benefits will be payable or paid under the Plan unless the Member agrees in writing, in a form satisfactory to the Plan, to do all of the following:

1. Provide the Plan with a written notice of any claim made against the third party for damages as a result of the injury or illness;
2. Agree in writing to reimburse the Plan for Benefits paid by the Plan from any Recovery (defined below) when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from the Member's own uninsured or underinsured motorist coverage;
3. Execute a lien in favor of the Plan for the full amount of Benefits paid by the Plan;
4. Ensure that any Recovery is kept separate from and not commingled with any other funds and agree in writing that the portion of any Recovery required to satisfy the lien of the Plan is held in trust for the sole benefit of the Plan until such time it is conveyed to the Plan;
5. Periodically respond to information requests regarding the claim against the third party, and notify the Plan, in writing, within 10 days after any Recovery has been obtained;
6. Direct any legal counsel retained by the Member or any other person acting on behalf

of the Member to hold that portion of the Recovery to which the Plan is entitled in trust for the sole benefit of the Plan and to comply with and facilitate the reimbursement to the Plan of the monies owed it.

If a Member fails to comply with the above requirements, no benefits will be paid with respect to the injury or illness. If Benefits have been paid, they may be recouped by the Plan, through deductions from future benefit payments to the Member or others enrolled through the Member in the Plan.

"Recovery" includes any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from your uninsured or underinsured motorist coverage, related to the illness or injury, without reduction for any attorneys' fees paid or owed by the Member or on the Member's behalf, and without regard to whether the Member has been "made whole" by the Recovery. Recovery does not include monies received from any insurance policy or certificate issued in the name of the Member, except for uninsured or underinsured motorist coverage. The Recovery includes all monies received, regardless of how held, and includes monies directly received as well as any monies held in any account or trust on behalf of the Member, such as an attorney-client trust account.

The Member shall pay to the Plan from the Recovery an amount equal to the Benefits actually paid by the Plan in connection with the illness or injury. If the Benefits paid by the Plan in connection with the illness or injury exceed the amount of the Recovery, the Member shall not be responsible to reimburse the Plan for the Benefits paid in connection with the illness or injury in excess of the Recovery.

The Member's acceptance of Benefits from the Plan for illness or injury caused by a third party shall act as a waiver of any defense to full reimbursement of the Plan from the Recovery, including any defense that the injured individual has not been "made whole" by the Recovery or that the individual's attorneys fees and costs, in whole or in part, are required to be paid or are payable from

the Recovery, or that the Plan should pay a portion of the attorneys fees and costs incurred in connection with the claims against the third party.

If the Member receives Services from a Participating Hospital for injuries or illness, the Hospital has the right to collect from the Member the difference between the amount paid by the Plan and the Hospital's reasonable and necessary charges for such Services when payment or reimbursement is received by the Member for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

COORDINATION OF BENEFITS

When a Member who is covered under this group Plan is also covered under another group plan, or selected group, or blanket disability insurance contract, or any other contractual arrangement or any portion of any such arrangement whereby the members of a group are entitled to payment of or reimbursement for Hospital or medical expenses, such Member will not be permitted to make a "profit" on a disability by collecting benefits in excess of actual cost during any Calendar Year. Instead, payments will be coordinated between the plans in order to provide for "allowable expenses" (these are the expenses that are Incurred for services and supplies covered under at least one of the plans involved) up to the maximum benefit amount payable by each plan separately.

If the covered Member is also entitled to benefits under any of the conditions as outlined under the "Limitations for Duplicate Coverage" provision, benefits received under any such condition will not be coordinated with the benefits of this Plan.

The following rules determine the order of benefit payments:

When the other plan does not have a coordination of benefits provision it will always provide its benefits first. Otherwise, the plan covering the Member as an Employee will provide its benefits before the plan covering the Member as a Dependent.

Except for cases of claims for a Dependent child whose parents are separated or divorced, the plan which covers the Dependent child of a Member whose date of birth (excluding year of birth), occurs earlier in a Calendar Year, will determine its benefits before a plan which covers the Dependent child of a Member whose date of birth (excluding year of birth), occurs later in a Calendar Year. If either plan does not have the provisions of this paragraph regarding Dependents, which results either in each plan determining its benefits before the other or in each plan determining its benefits after the other, the provisions of this paragraph will not apply, and the rule set forth in the plan which does not

have the provisions of this paragraph will determine the order of benefits.

1. In the case of a claim involving expenses for a Dependent child whose parents are separated or divorced, plans covering the child as a Dependent will determine their respective benefits in the following order: First, the plan of the parent with custody of the child; then, if that parent has remarried, the plan of the stepparent with custody of the child; and finally the plan(s) of the parent(s) without custody of the child.
2. Regardless of (1.) above, if there is a court decree which otherwise establishes financial responsibility for the medical, dental or other health care expenses of the child, then the plan which covers the child as a Dependent of that parent will determine its benefits before any other plan which covers the child as a Dependent child.
3. If the above rules do not apply, the plan which has covered the Member for the longer period of time will determine its benefits first, provided that:
 - a. a plan covering a Member as a laid-off or retired Employee, or as a Dependent of that Member will determine its benefits after any other plan covering that Member as an Employee, other than a laid-off or retired Employee, or such Dependent; and
 - b. if either plan does not have a provision regarding laid-off or retired Employees, which results in each plan determining its benefits after the other, then paragraph (a.) above will not apply.

If this Plan is the primary carrier in the case of a covered Member, then this Plan will provide its Benefits without making any reduction because of benefits available from any other plan, except that Physician Members and other Participating Providers may collect any difference between their billed charges and this Plan's payment, from the secondary carrier(s).

If this Plan is the secondary carrier in the order of payments, and the Claims Administrator is notified that there is a dispute as to which plan is primary, or that the primary plan has not paid within a reasonable period of time, this Plan will pay the benefits that would be due as if it were the primary plan, provided that the covered Member (1) assigns to the Claims Administrator the right to receive benefits from the other plan to the extent of the difference between the benefits which the Claims Administrator actually pays and the amount that the Claims Administrator would have been obligated to pay as the secondary plan, (2) agrees to cooperate fully with the Claims Administrator in obtaining payment of benefits from the other plan, and (3) allows the Claims Administrator to obtain confirmation from the other plan that the benefits which are claimed have not previously been paid.

If payments which should have been made under this Plan in accordance with these provisions have been made by another plan, the Claims Administrator may pay to the other

plan the amount necessary to satisfy the intent of these provisions. This amount shall be considered as Benefits paid under this Plan. The Claims Administrator shall be fully discharged from liability under this Plan to the extent of these payments.

If payments have been made by the Claims Administrator in excess of the maximum amount of payment necessary to satisfy these provisions, the Claims Administrator shall have the right to recover the excess from any person or other entity to or with respect to whom such payments were made.

The Claims Administrator may release to or obtain from any organization or person any information which the Claims Administrator considers necessary for the purpose of determining the applicability of and implementing the terms of these provisions or any provisions of similar purpose of any other plan. Any person claiming Benefits under this Plan shall furnish the Claims Administrator with such information as may be necessary to implement these provisions.

TERMINATION OF BENEFITS

Except as specifically provided under the Extension of Benefits provision, and, if applicable, the Continuation of Group Coverage provision, there is no right to receive benefits for services provided following termination of this health Plan.

Coverage for you or your Dependents terminates at 12:01 a.m. Pacific Time on the earliest of these dates: (1) the date the Plan is discontinued, (2) the first day of the month following the month in which the Participant's employment terminates, unless a different date has been agreed to between the Claims Administrator and your Employer, (3) fifteen (15) days following the date of mailing of the notice to the Employer that fees are not paid; or (4) on the first day of the month following the month in which you or your Dependents become ineligible. A spouse also becomes ineligible following legal separation from the Participant, entry of a final decree of divorce, annulment or dissolution of marriage from the Participant. A Domestic Partner becomes ineligible upon termination of the domestic partnership.

If you cease work because of retirement, disability, leave of absence, temporary layoff, or termination, see your Employer about possibly continuing group coverage. Also see if applicable, the Continuation of Group Coverage provision in this booklet for information on continuation of coverage.

If your Employer is subject to the California Family Rights Act of 1991 and/or the federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), your payment of fees will keep your coverage in force for such period of time as specified in such Act(s). Your Employer is solely responsible for notifying you of the availability and duration of family leaves.

The Claims Administrator may terminate your and your Dependent's coverage for cause immediately upon written notice to you and your Employer for the following:

1. Material information that is false, or misrepresented information provided on the enrollment application or given to your Employer or the Claims Administrator;
2. Permitting use of your Participant identification card by someone other than yourself or your Dependents to obtain Services; or
3. Obtaining or attempting to obtain Services under the Plan Document by means of false, materially misleading, or fraudulent information, acts or omissions.

If a written or electronic application for the addition of a newborn is not submitted to and received by the Claims Administrator within the 60 days following the date of birth, Benefits under this Plan will be terminated on the 61st day at 12:01 a.m. Pacific Time.

If a written or electronic application for the addition of a child placed for adoption is not submitted to and received by the Claims Administrator within the 31 days following that Dependent's effective date of coverage, Benefits under this Plan will be terminated on the 32nd day at 12:01 a.m. Pacific Time.

GROUP CONTINUATION COVERAGE

CONTINUATION OF GROUP COVERAGE

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

Applicable to Members when the Participant's Employer is subject to Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended, a Member will be entitled to elect to continue group coverage under this Plan if the Member would otherwise lose coverage because of a Qualifying Event that occurs while the Employer is subject to the continuation of group coverage provisions of COBRA. The benefits under the group continuation of coverage will be identical to the benefits that would be provided to the Member if the Qualifying Event had not occurred (including any changes in such coverage).

Under COBRA, a Member is entitled to benefits if at the time of the qualifying event such Member is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

Qualifying Event

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences.

1. With respect to the Participant:

- a. the termination of employment (other than by reason of gross misconduct); or
 - b. the reduction of hours of employment to less than the number of hours required for eligibility.
2. With respect to the Dependent spouse or Dependent Domestic Partner and Dependent children (children born to or placed for adoption with the Participant or Domestic Partner during a COBRA continuation period may be immediately added as Dependents, provided the Employer is properly notified of the birth or placement for adoption, and such children are enrolled within 60 days of the birth or within 30 days of the placement for adoption):
- a. the death of the Participant; or
 - b. the termination of the Participant's employment (other than by reason of such Participant's gross misconduct); or
 - c. the reduction of the Participant's hours of employment to less than the number of hours required for eligibility; or
 - d. the divorce or legal separation of the Participant from the Dependent spouse or termination of the domestic partnership; or
 - e. the Participant's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
 - f. a Dependent child's loss of Dependent status under this Plan.
3. With respect to a Participant who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Employer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.
4. With respect to any of the above, such other Qualifying Event as may be added to Title X of COBRA.

Notification of a Qualifying Event

The Member is responsible for notifying the Employer of divorce, legal separation, or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or Plan administrator if the Employer does not have a COBRA administrator) of the Participant's death, termination, or reduction of hours of employment, the Participant's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan. The Member must then notify the

COBRA administrator within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Member does not notify the COBRA administrator within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

Duration and Extension of Continuation of Group Coverage

In no event will continuation of group coverage under COBRA be extended for more than 3 years from the date the Qualifying Event has occurred which originally entitled the Member to continue group coverage under this Plan.

Payment of Dues

Dues for the Member continuing coverage shall be 102 percent of the applicable group dues rate, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the dues for months 19 through 29 shall be 150 percent of the applicable group dues rate.

If the Member is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all dues contributions to the Claims Administrator in the manner and for the period established under this Plan.

Effective Date of the Continuation of Coverage

The continuation of coverage will begin on the date the Member's coverage under this Plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as dues are timely paid.

Termination of Continuation of Group Coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

1. discontinuance of this group health plan (if the Employer continues to provide any group benefit plan for employees, the Member may be able to continue coverage with another plan);
2. failure to timely and fully pay the amount of required dues to the COBRA administrator or the Employer or to the Claims Administrator as applicable. Coverage will end as of the end of the period for which dues were paid;
3. the Member becomes covered under another group health plan;
4. the Member becomes entitled to Medicare;
5. the Member commits fraud or deception in the use of the Services of this Plan.

Continuation of group coverage in accordance with COBRA will not be terminated except as described in this provision.

CONTINUATION OF GROUP COVERAGE FOR MEMBERS ON MILITARY LEAVE

Continuation of group coverage is available for Members on military leave if the Member's Employer is subject to the Uniformed Services Employment and Re-employment Rights Act (USERRA). Members who are planning to enter the Armed Forces should contact their Employer for information about their rights under the USERRA. Employers are responsible to ensure compliance with this act and other state and federal laws regarding leaves of absence including the California Family Rights Act, the Family and Medical Leave Act, and Labor Code requirements for Medical Disability.

GENERAL PROVISIONS

LIABILITY OF PARTICIPANTS IN THE EVENT OF NON-PAYMENT BY THE CLAIMS ADMINISTRATOR

In accordance with the Claims Administrator's established policies, and by statute, every contract between the Claims Administrator and its Participating Providers and Preferred Providers stipulates that the Participant shall not be responsible to the Participating Provider or Preferred Provider for compensation for any Services to the extent that they are provided in the Participant's Plan. Participating Providers and Preferred Providers have agreed to accept the Plan's payment as payment-in-full for covered Services, except for the Deductibles, Copayments, amounts in excess of specified Benefit maximums, or as provided under the Exception for Other Coverage provision and the Reductions section regarding Third Party Liability.

If Services are provided by a Non-Preferred Provider, the Participant is responsible for all amounts the Claims Administrator does not pay.

When a Benefit specifies a Benefit maximum and that Benefit maximum has been reached, the Participant is responsible for any charges above the Benefit maximums.

INDEPENDENT CONTRACTORS

Providers are neither agents nor employees of the Plan but are independent contractors. In no instance shall the Plan be liable for the negligence, wrongful acts, or omissions of any person receiving or providing Services, including any Physician, Hospital, or other provider or their employees.

NON-ASSIGNABILITY

Coverage or any Benefits of this Plan may not be assigned without the written consent of the Claims Administrator. Possession of an ID card confers no right to Services or other Benefits of this Plan. To be entitled to Services, the Member must be a Participant who has been accepted by the Employer and enrolled by the Claims Administrator and who has maintained enrollment under the terms of this Plan.

Participating Providers and Preferred Providers are paid directly by the Claims Administrator. The Member or the provider of Service may not request that payment be made directly to any other party.

If the Member receives Services from a Non-Preferred Provider, payment will be made directly to the Participant, and the Participant is responsible for payment to the Non-Preferred Provider. The Member or the provider of Service may not request that the payment be made directly to the provider of Service.

PLAN INTERPRETATION

The Claims Administrator shall have the power and discretionary authority to construe and interpret the provisions of this Plan, to determine the Benefits of this Plan and determine eligibility to receive Benefits under this Plan. The Claims Administrator shall exercise this authority for the benefit of all Members entitled to receive Benefits under this Plan.

CONFIDENTIALITY OF PERSONAL AND HEALTH INFORMATION

The Claims Administrator protects the confidentiality/privacy of your personal and health information. Personal and health information includes both medical information and individually identifiable information, such as your name, address, telephone number, or social security number. The Claims Administrator will not disclose this information without your authorization, except as permitted by law.
